Desktop Computers

Whether you want a desktop computer for email, social networking, schoolwork, home finances, Web surfing or gaming, you'll find a broad selection of desktop PCs at Every Day Low Prices from Walmart. Our selection of desktop PCs includes all-in-one computers, refurbished computers, touchscreen computers, Windows computers and desktop computer bundles. Choose Intel PCs or AMD PCs from HP, Dell, Acer, Lenovo, Compaq, Gateway, CyberPower, iBuyPower, ASUS, Sony, Vizio and more popular brands. It's easy to shop for desktop computers at Walmart.com when you search by type, brand, processor, hard drive size, system RAM, price range, customer ratings or best sellers.

In addition to desktop computers, you may also want to take a look at the latest [laptop computers](#) and [tablet PCs and iPads](#) that you can take anywhere. Of course, you'll find a complete selection of desktop computer peripherals, such as [flat-panel computer monitors](#), [printers and scanners](#), modems, NAS devices, USB adapters and hard drives at Walmart.com. We also offer a full range of [desktop computer accessories](#), such as headsets, speakers, keyboards, mice, connection cables and surge protectors.

You can save on shipping costs because most desktop computers qualify for free in-store pickup at your nearby Walmart store when you use Site to Store online ordering. You can also save when you choose a desktop PC bundle that includes a monitor, printer or other peripherals. Shop for desktop computers and more electronics at Every Day Low Prices from Walmart to save money and live better.
